

Greetings!

What a turnout! For the 2023-2024 Club Season, we had over 140 players attend tryouts! I can't even begin to express how proud I am of this program. The players, coaches, parents, and supporting Buffalo Stampeder staff are incredible and I am honored to lead this club. Thank you for your commitment to the Buffalo Stampede program and your belief in what we are doing here! The momentum that we have going is exciting...and this is just the beginning!

We are proud of the progress and determination of all players who attended tryouts. As I mentioned during our tryout sessions, if you love volleyball and did not make a team...please don't give up! We will be offering Buffalo Adventures volleyball classes, summer camp, clinics, and private lessons. Please keep working on your skills and we hope to see you tryout again next year.

Congratulations to the players who have made one of the nine Buffalo Stampede Volleyball Teams! To lock in your spot on the team, you need to register for the season and pay your deposit of \$250 by Wednesday, August 23, 2023. This will ensure that you are accepting your position on the team as listed below. The deposit is non-refundable and is used to order the "Player Package" for your child. Jerseys will have last names printed on the back, so they cannot be returned. The registrations and deposit payments will be open for one week only. If you have a financial hardship, please email me at volleyball@buffalostampede.com.

The tentative schedules for the season are also listed below. Please save those dates! Tournaments are subject to change, but I try to stay close to my initial plan. Practices will start the week of November 6th. There will be a parent meeting at the end of October. The date and location will be announced soon. Every player must have one parent or guardian attend this meeting. We will be going over important information for the upcoming season. It is going to be amazing...I can't wait! Thank you for being a part of the Buffalo Stampede Family!

Michele Moreman
Youth Volleyball Director

Payment Structure

Entire balance can be paid at registration,

-or-

The following installment plan is available:

Team:	Deposit (Due at Registration)	Installment #1 11/10/2023	Installment #2 2/2/2024
